President's Page

To the class of 2002:

I want to express my sincere congratulations to you on the successful completion of the requirements for an academic degree at the *University of New Haven*. The educational foundation you have received from our knowledgeable and dedicated faculty and your own diligent efforts will serve you well as you move on to pursue your careers and personal lives.

It has been our goal to prepare you for the meaningful roles and lifelong learning in a global society. A society which now faces greater promise and yet more daunting challenges than ever before.

We have given you our best efforts and now we extend our best wishes to you. We know you will continue to strive to achieve laudable professional and personal goals for the benefit of those near and far, and, in so doing, it will reflect positively on the *University of New Haven*.

Good luck and Godspeed.

Sincerely,

Lawrence J. DeNardis
President

USGA President

To the Class of 2002:

Geez! How'd we get here? I don't know about you, but it seems as though my first day here was only yesterday. I can say without hesitation that I am glad for every minute I have spent here. I have learned from it all. I hope all of you can say the same. Not that I am in much of a position to give you advice since I am entering the real world with you, but I do have one little thought that might help you along the way. Follow your own road. As long as you follow your heart and stay true to yourself, you will always achieve success in whatever you do. I wish the best of times and the best of luck to all of you in your future endeavors!

To everyone else at UNH:

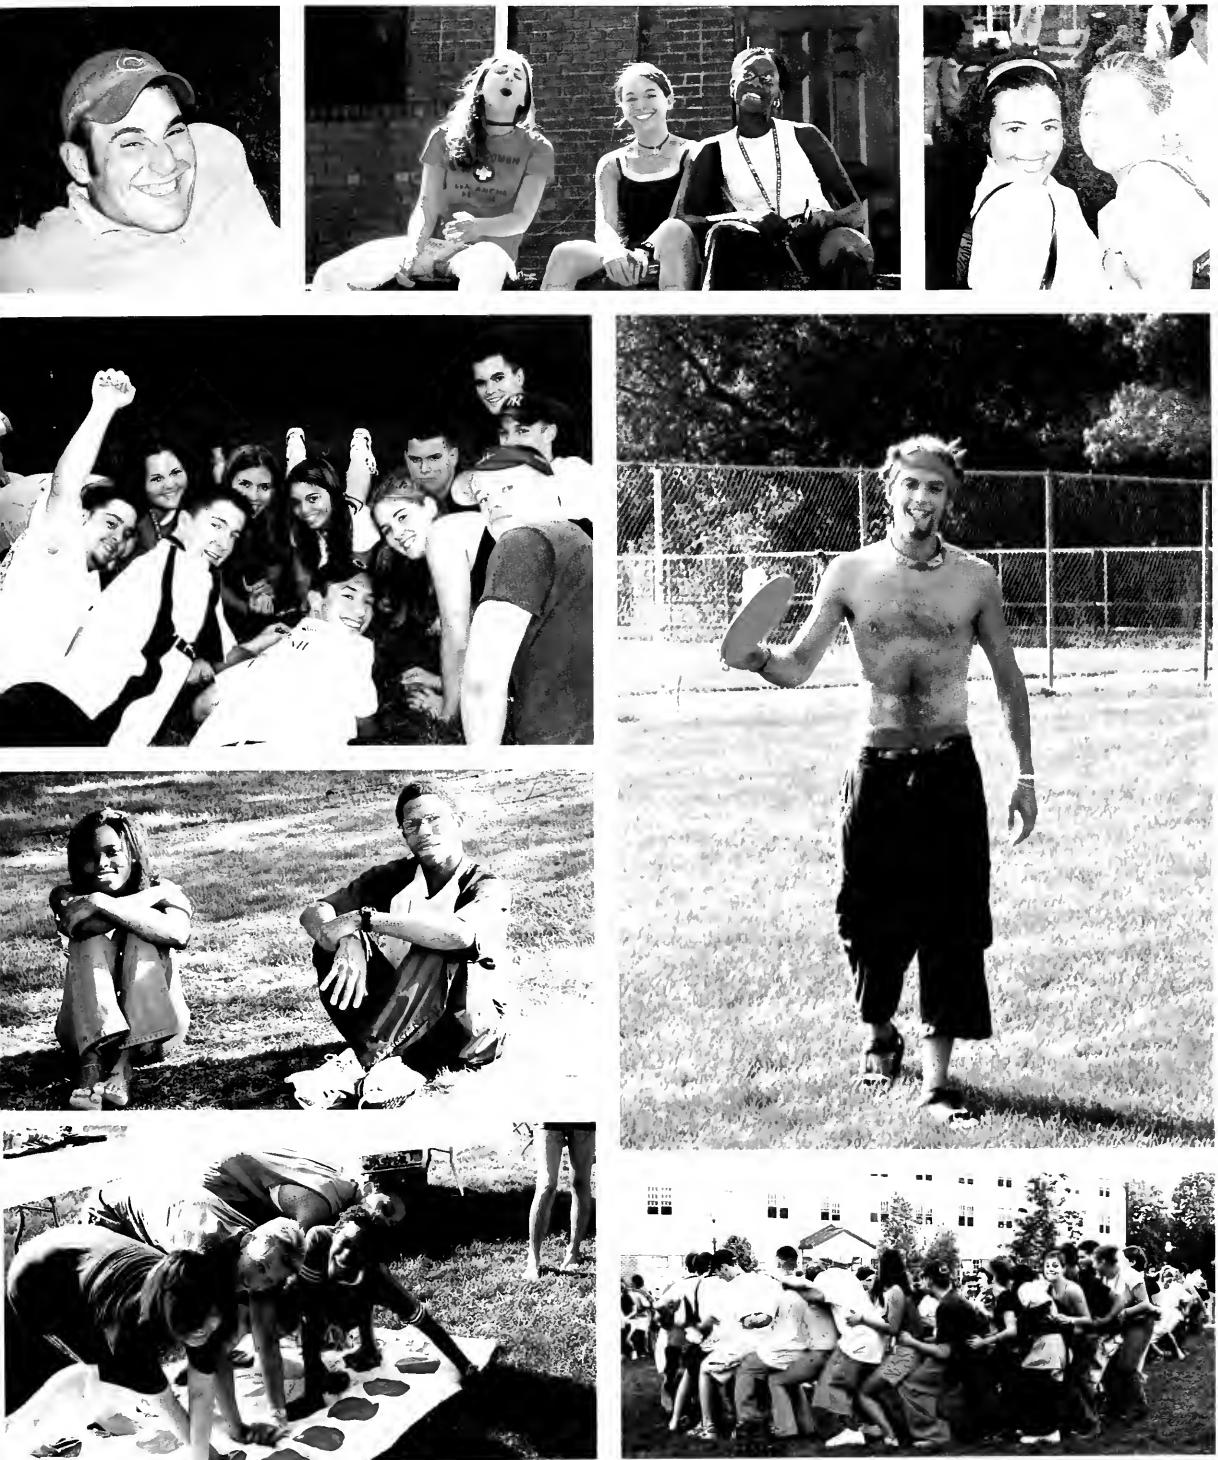

I am honored to have had the chance to be your Undergraduate Student Government Association President. Along with having a great time, I have learned a great deal about being a part of a place like UNH. I hope all the future administrators will value their time here as I have. To all the returning students, this is your time to test your abilities and see just how far you really can go. UNH is here for you, make it your own. I hope you all can have the chances and opportunities that I have had here. I thank you all for your support and wish the best of luck to you in the future.

Sincerely,

James Kersten
USGA President, 2001 - 2002

FRESHMAN ORIENTATION

(Right) Sure does look like everyone's having fun

(Below) Mitch looks a little cold, he needs a hug too

(Above) "Take that Commie!" Even though Chuck has a purple pail he still shows everyone that he's the boss. (You better watch out Kristen)

(Above Right) Dan Breschard tries to dry off in the sun

(Right) Nice shades Debbie

(Right) After all of that running around the freshmen are exhausted. It's time to relax and just hang out

Water Fight

Welcome Back Bash

(Left) The German Club was packed and everyone was getting their groove on

(Below) "Yeah, we're having fun"

(Far left) A little thirsty Brendan?

(Above) "Hey Craig, pass some of those drinks down here. We're thirsty too!"

(Left) Whoa! Careful there Jay

"Hey, can't you see I'm busy?"

HOOME COMING

(Right) KGR- Good job not promoting alcohol.

(Below) Don't mind me .. I had a freak accident with Skittles last night.

"Homecoming was fun!"

"I think it keeps getting worse every year. No one really showed up (to the Pep Rally) and there are so many restrictions on us. Also, there wasn't enough time to prepare for our floats."

"It was definitely a great time."

"There were a lot of fun parties. I had a good time."

(Left) Puppies enjoy Homecoming too

(Left) Hey Neil, the sun looks a little too bright for you

(Below) Yes, we're enjoying this wonderful day.

(Above) Everyone here is having a grand time. Is that orange juice you're drinking?

(Left) Aww, isn't Christine adorable. She's beaming with school spirit

(Left) Chris can't you pick on somebody your own size?

...more Homecoming fun!!

Inflatable Fun Fest

(Left) Missy and Katie were ~~up~~ as they ran away with first place

(Below) "I am so much better than you"

(Left) Along with Jay and Silent Bob, Michael Jackson and Brittany give the scores

(Above Far Left) Franklyn and Danielle belt out their rendition of Ja Rule's "I'm Real"

(Above Middle) "No really, it wasn't me"

BUSINESS

The business program at UNH offers students a wide variety of degrees to choose from. The accounting department is responsible for courses in accounting, business law and taxation. While the study of accounting has its roots in economic theory, the courses emphasize practical application to real world problems. The department of management offers degree programs in the following areas: associate in science degree program in business administration and bachelor of science degree programs in business administration and management of sports industries, along with minors in business administration, management and entrepreneurship. Economics courses provide a basis for an understanding of economic structures, a wide range of domestic and international issues and trends in the economic life of modern societies. These courses offer training in analysis of economic problems as an aid to the evaluation of economic policies.

ENGINEERING

The Mission of the School of Engineering and Applied Science at the University of New Haven is to provide quality, career-oriented education to students through the development of sound fundamental engineering principles and specialized skills. With five undergraduate Engineering programs and one in Computer Science nationally accredited at the highest possible national level, the University of New Haven's School of Engineering and Applied Science is the only Connecticut college or university to have achieved this status. Now, the school has received additional acclaim. U.S. News & World Report has ranked the UNH B.S. degree in Chemical Engineering program as one of the five best in the country.

Dr. Stephen Ross, Mechanical Engineering

Dr. John Sarris, Department of Mechanical Engineering

HOSPITALITY AND TOURISM

The School of Hospitality and Tourism offers undergraduate degrees in two areas: General Hotel and Restaurant Management, and Tourism Administration. The school is dedicated to academic excellence through study, teaching and research in the fields of hotel, restaurant, tourism and dietetics within the United States and around the world. The school provides a strong foundation for professional careers and seeks to prepare graduates for leadership, professional excellence and lifelong learning. The curriculum is designed to strengthen the student's ability to manage, to communicate and to reason in a diverse and complex workplace. Graduates of the school furnish the managerial talent needed by hotels, resorts, health care institutions, private clubs, restaurants, governmental tourism agencies, destination management firms and corporate travel companies.

CLUBS AND ORGANIZATIONS

YEAR

2002

U.S.G.A.

The Undergraduate Student Government Association is a group of students who have a desire to improve the University. Through various committees we address issues that are important to students and student life. The USGA is composed of approximately seventy students including senators, representatives, media heads, class representatives, and the executive board. Throughout the year the USGA works with the media in some capacity, publish a weekly newspaper, publish a yearbook, and operate a store. We also fund clubs and assist with special events. Our main source of funding is the student activity fee. If there is an issue on campus, an event happening on campus, or something that has to do with students the university population can count on us. The student voice is heard through USGA. We are here to represent the students of the University of New Haven, and that is what we do.

Admissions Team

The Admissions Team is an organization that helps to familiarize perspective students with the campus while at the same time assisting the Admissions office with minor paperwork. Whether it is with campus tours, open houses, registration days, or college fairs, the A-Team is always ready with a warm smile and a welcoming hand. Members are trained to be knowledgeable of the campus, thus allowing for thorough tours and great experiences for the visiting students and their families. Our tour guides are the finest examples of UNH pride.

American Criminal Justice Association

The American Criminal Justice Association (ACJA) is a national professional and pre-professional organization with the goals of technology, training, and service for the benefit of the criminal justice system. UNH's local student chapter of the ACJA is the Psi Omega chapter of Lambda Alpha Epsilon. LAE offers students a variety of activities including community service as well as the opportunity to meet and work with practitioners in the fields. Students also meet others with similar interests and are eligible to participate in regional and national programs and activities. This past year LAE had the opportunity to go to the national conference held in Cheyenne, Wyoming to compete against other schools from all over the country.

Charger Pep Band

The Charger Pep Band is in its 5th year, and going strong. They have received a great deal of University recognition and support and have been very successful. They have been active at Charger sporting events such as football and basketball games. Although small in number, the Pep Band shows musical support for University events in big ways. They have traveled to one away football game each year, recent trips including Tampa Bay, Boiling Springs, and Villanova. Since its inception in 1997, the Pep Band has won the annual Homecoming Float contest each year.

Fire Science Club

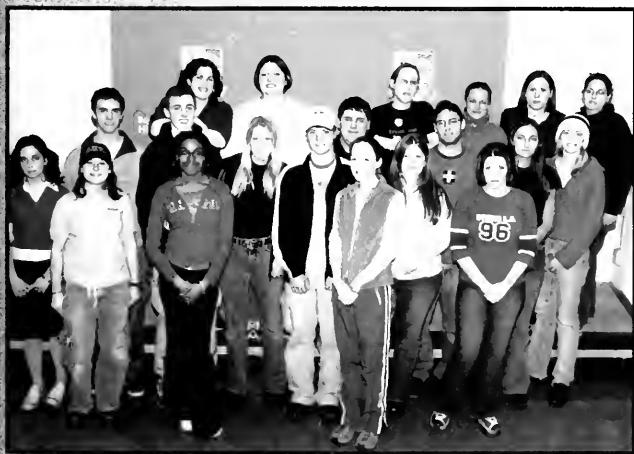

The Fire Science Club was formed for students majoring in fire science, arson investigation, and for other students who are interested in the field. It provides the UNH campus and the West Haven community with the information about fire safety and other important issues. Many of the club members are involved with fire companies in their hometowns, and surrounding areas of UNH.

This year has been filled with extraordinary forensic science and chemistry fun! There was no better way to begin the year than by dressing up as 'Mad Clown Scientists' for Homecoming and whacking moles for Mole Day. Many of us participated in conferences around the country including NEAFS in Vermont and AAFS in Hotlanta. We finished off the year with our 50's-themed Murder Mystery Dinner. Needless to say it's been a wonderful year for the Forensic Science and Chemistry club. Hats off to many more!

Members: Christopher Johnson, Kristen Gaulin, Mike Loesch, Ralph Marguy, Tim Scott, Chie Thibodeau, Zack Ventrella, Stephen Dietlein

When PIRO, or Paranormal Investigation and Research Organization was founded, senators had their doubts that the club would amount to anything. Now at the beginning of the spring semester, PIRO is in 19th place in the USGA top 20 clubs. It won the table competition at the recent open house and co-sponsored a movie with SCOPE. The organization, contrary to popular belief, is not about chasing ghosts and looking for aliens. It focuses on the scientific area of the paranormal, seeking to find out the truth behind odd occurrences. The club members are not all blind faith believers either. There are a few Scullys amongst all the Mulders. PIRO is based on investigation and research, not on TV show and movie impressions of the paranormal. But one thing rings true for it: The Truth is out there, and PIRO wants to find it.

Students Making an Impact in their Living Environment

SMILE's purpose is to benefit the University's Community but also the general community to the best of our abilities. We do our best to help our neighbors in need. In doing this we hope to leave a lasting impression, build a better environment in and around the University of New Haven. Recent SMILE trips and activities include Halloween Huggers, Cook Care Walkathon and Habitat for Humanity.

UNH Gospel Choir

This is the second year the UNH Gospel Choir has been apart of USGA. The Gospel Choir consists of talented young people who love to praise the Lord and uplift the spirits of others throughout Gospel music. The choir has ministers at several churches in the New Haven area, as well as the University's open houses and holiday festivals. They have also been featured and have helped organize the University's annual Gospel Fest.

UNH Harmonies

The Harmonies are the acapella singing group at UNH. We had five members this semester, plus our student director Essence Jones. Fall semester we performed at Holiday Festival, the Board of Governors Christmas party and caroled at several local nursing homes. Performances for Spring were the International Festival and graduation. President Christine Eaton sang soprano, Secretary Samantha Metje and Sarah Nestlen sang alto, and LaJuan Wright and Irina Geiman sang lightbars tenor.

Charger Bulletin

If anyone had ever told us that running a small business our year of college, we wouldn't have believed them nor would we have guessed they were talking about *The Charger Bulletin*. We returned to UNH in the fall of 2001 to an unfinished newspaper/yearbook office in the newly renovated Student Center, and neither of us had any previous journalism experience or even a clue how to produce a newspaper. Still, we were determined to create the best newspaper issues ever to be circulated on campus and to set a standard for generations to come.

Indeed, it was more work than we bargained for. Even after we taught our-

selves the computer programs and learned how to generate advertising, the job continued to require more than forty hours a week and consistently deprived us of many nights of sleep. As challenging as our positions were, the responsibility was unique and beyond educational. Seeing students with *The Charger Bulletin* in their hands instilled a sense of pride and accomplishment that motivated us from week to week.

Dedicated to increasing readership among the students of the campus, we introduced a number of new sections in the paper, including "White of the Week," "California Critic," "Ask Andy," "Yahoo's and Boo's," "U.S.C.A.T. corner," and "Laughs from the Past." We dedicated

extra time during break times to the newspaper.

As a result, *The Charger Bulletin* became the most popular publication on campus.

With a circulation of over 1,000,

The Charger Bulletin has become a

mainstay of the UNH community.

Now that we have graduated, we

are looking forward to our future

and the success of *The Charger Bulle-*

Chariot Yearbook

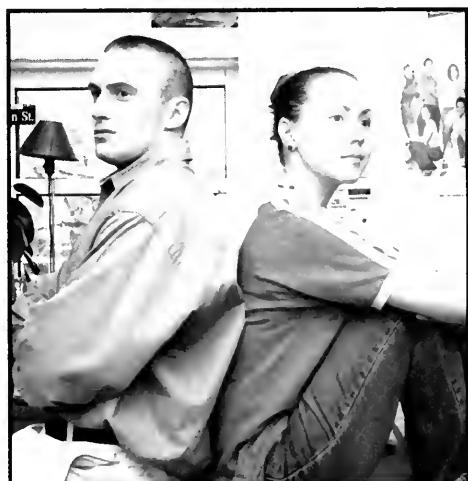

Editor, Chris Massa before the big homecoming game.

This year the Chariot Yearbook moved upstairs to the 3rd floor of the student center into a lovely office we like to call "Area 51". We've come to grow and appreciate the office since its completion in late September and we also enjoy sharing it with the Charger Bulletin editors. This edition of the yearbook is volume 39. The Chariot Yearbook tries to capture the entire year in one book and we've tried to make it more personable and artistic. This year we focused a lot on photography to get more unique and interesting pictures. We hope we've succeeded in producing a book that is enjoyable and memorable. It's been fun learning the ropes, growing in our own ways, and letting our artistic ideas shine through.

Editor, Rebekka Fross, taking a break before getting back to work.

SCOPE, the Student Committee on Programming Events, is a collaboration of students dedicated to the development of activities on campus. The members of SCOPE are responsible for bringing entertainment to campus through event planning such as movies, theme weeks and weekends including Spring Weekend, and other such novelty ideas. The office has recently relocated to the third floor of the student center and operates under the Student Activities office and the USGA. This year, SCOPE has been working without their advisor, Laura Tagliarini, who left in October to have a baby. The members of SCOPE have been working extra hard in her absence to bring the same quality of events to campus and to maintain the high standards for student activities that are her legacy.

The University of New Haven's Radio station, popularly known as WNUH 88.7 F.M. is a well involved program on campus. Between broadcasting live at the football games to hosting its annual Phone-a-thon, the radio station can be heard 20 hours a day. Broadcasting across five counties in Connecticut and two in New York, it provides over twenty-two musical styles. In addition, there are many talk shows and other different shows put on by all students. Since it began in the early 70's, WNUH has been featured in numerous major music industry trade magazines.

RESIDENTIAL LIFE

The dorm life here at UNH is the next best thing to being home. The friendly atmosphere allows every student to feel welcome. The excellent staff provides the residents with many fun activities. Resident Assistants help students with roommate conflicts, hardships in their studies, and any other problems that may arise. They are definitely an asset in helping students reach their full potential. Living on campus provides residents with another opportunity to shine educationally, through involvement, and socially. Many good times are shared as a resident of UNH.

“Together We Shine”

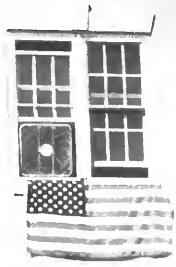

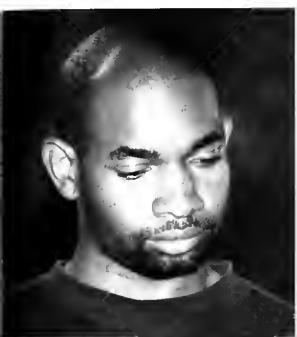

September 11th, A Day To Never Forget

On September 11, 2001 our nation was rocked by the horrible acts of terrorism. This monstrous event claimed the lives of over 6000 Americans. Many of the victims were the brave men and women who served with the New York Fire and Police Departments. They risked their own lives to save others. These men and women will remain as hero's and will never be forgotten.

What is more tremendous is the amount of support and dedication the American people showed during this time of sorrow. From the thousands of people who went down to the World

Trade Center to the millions who contributed at telethons. Our Nation united together as one during this time of morn. We proved that the United States of America is the strongest country in the world.

The University of New Haven is a very diverse community. We showed we can shine together as one. Walking through the campus you could see it decorated with many flags the students hung out of their windows. We will never forget the Americans who were lost in these events. September 11 will be a day we will never forget.

To pay tribute to all of the men and women lost in the horrible tragedy, UNH held a candlelight vigil and a memorial service. Provost John Hatfield spoke on behalf of the faculty at the University. Marty O'Connor was also in attendance. He represented the campus ministry. Many students showed up to these events to honor the victims. Other residents hung flags out of their dorm windows to show their respect for our country.

Students' reactions to the horrible tragedy...

"It (September 11) was very tragic. It was very shocking. September 11 is also my birthday. Not a good way to celebrate."

Manny Jeudy

"I felt like I lost a second home. I worked across the World Trade Center over the summer. I had friends over there. When I heard about what had happened, I felt helpless. I was scared because I didn't know if they were alright."

Ruby Fresneda

"It was a very tragic event that took place. I hope something like that never happens again. America really stood together during this unfortunate happening."

Φ Σ

The Phi Sigma Sorority was founded in 1986 when Zeta Beta Tau sisters broke away from their brothers. The goals of the sorority are to promote service, scholarship, and education. A Phi Sig sister is an individual of any age, race, or creed. The sorority's efforts are directed towards attracting a unique type of sister, seeking a woman who is involved outside of herself and willing to commit to the goals of the sorority.

Football

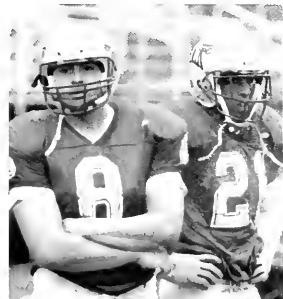

The 2001 Charger Football squad may be the deepest and most experienced the Chargers have fielded in a long time. The Chargers return 15 starters and a defensive front four that has played side-by-side the last three seasons. The front four consists of seniors Dwayne Brown, O'Neal Anderson, Bryant Robinson and tri-captain Rondell Tyson. One of the season highlights includes the Chargers upsetting #11 Villanova.

Dance Team

The Charger dance team always showed us entertainment during sporting events. Their talented dance moves were reflected by countless hours of hard work and dedication. Each member contributed to the choreography of their routine. The team was coached by Alick Letang.

Team members: Nicole Crawford (captain), Beyonka Raynor (captain), Delilah Dragon, Kerri Brown, Thea Korytkoski, Shamair Todman, Melina Alger, Nikko Fisher, Lunnie Joseph, Guilaine Pierre, Zaquita Curly, and Yolande Frasier

Men's Basketball

Jay Young steps on the court with his Chargers for his second season as head coach. UNH's tri captains include, Jamal Tyrell, Alberto Alberdi, and Jamaal Camah. Also returning this year for the Men's team is, forward Keith Wright. Wright finished fourth last year on the team in scoring, averaging 9.0 points per game, while pulling down 122 rebounds. In addition to, Dennis Scatliffe a 6-4, forward who averaged 8 points a game last year will be also an asset. New Haven received a couple transfers that should help Coach Young look for a successful season; they are juniors John McDougald and Ken Salway.

Captains: Jamal Tyrell, Jamaal Camah, and Alberto Alberdi

Coaches Quote

Women's Basketball

The UNH women's basketball team began a new epoch with the addition of their new coach, Nicole Anderson. The new women's basketball coach attended UCLA where she was rated as one of the top fifteen women basketball players of all-time there. Anderson also played for the Los Angeles Sparks, the professional women's basketball team out of California.

Returning to the line up for the Lady Chargers was senior Niketa Harris. The eighth leading scorer for the women's basketball team all-time was a valuable asset under the basket this year. Also returning were captains Phoenicia Wright and Kim Saxton. Wright dominated as a forward where as Saxton lead the way as a guard. Other seniors on the team included Charisse Buefort, Cori Harrington and Katie Higgins.

The captain was always an important force on the court

Men's Track

Track Coach John Sagnelli must have done something right. The two-time Coach of the Year, named by the coaches in the Collegiate Track Conference, has lead his team to winning two consecutive CTC championships. In addition to, in the first year of UNH history a runner has made it to Nationals. New comer Alex McAbee, the Charger who made it to Nationals, helped the Chargers in long distance. Racing next to him was senior Captain Pat Schultz and juniors, Captain Bill Galpin and Tony Perugini.

In the middle distance and sprints the Chargers had senior Joe Nemorin, and Will Germain.

Baseball

The men's baseball team welcomed new associate head coach Mark Lambert. Lambert's reputation with baseball precedes him as he joined the Chargers in his first year. Coach Lambert is described as "one of the top coaches in the country". Lambert has earned several coaching awards while coaching the mens baseball team at Norwalk Community College, including the NJCAA National Coach of the Year and the ABCA Coach of the Year in 1998.

Also returning to the lineup were Captains Steve Bray, senior Andy Schmata, and Pete Hawley. The other seniors on the team were outfielders GlenRoy James and Paul Sanders. With a very young team, Coach Lambert says, "we're going to be a very good team this year." Between Coach Vieria and Coach Lambert it would be hard to say otherwise.

Coaches Spotlight

Name: Frank "Porky" Vieria

History: Coach Vieira is in his fifth decade as the head baseball coach with the Chargers. In 1963, he started at UNH as a physical education teacher. Vieira was put in charge of leading the first baseball team in the school's history. That year the team went 16-3-1. The renown coach has never had a losing season since he's been coaching for 37 years. Under Vieira there have been 61 former players that have signed major league contracts, including the entire 1985 starting lineup. Despite Frank Vieira's notable history as a coach, he can be easily described as an extraordinary person who is well liked by all.

Men's Lacrosse

The men's Lacrosse team finished their last season as an Independent team, this year they will join the New York Collegiate Athletic Conference, one of the hardest conferences in the country. The men's LAX team was headed by coach John Keogh, who was with the Chargers for his third season. The men's team was captained by Jim Hufnagle, Pete Ferrizz and Dan Backman. Hufnagle and Backman provided the powerful offense and Ferrizz offered support on the defense. Backman led the Chargers in the 2000 season with the most goals.

Other Chargers that help lead the way this year were Anthony Barberio, who had ten goals in his first four games in the 2000 season. Milton Bhoorasingh protected the goal while Tom Smith and freshman Mike Rodgers assisted on offense. In his first year, freshman middie Sean Bumpstead made an impact for the men's LAX team.

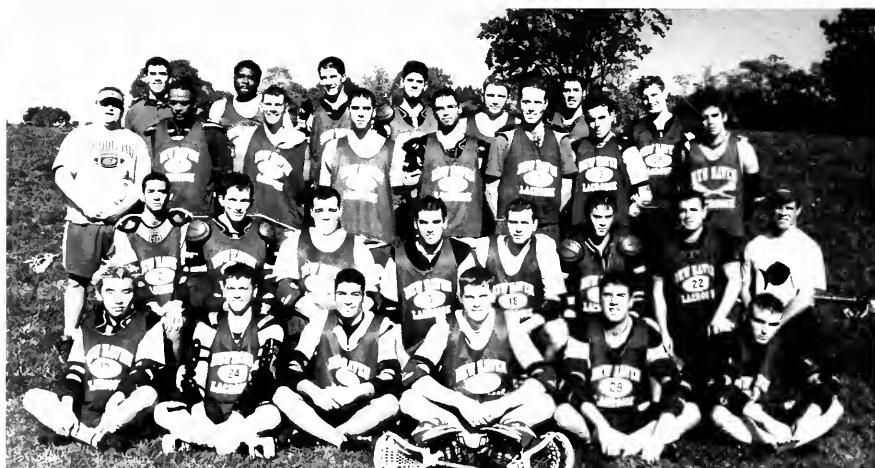

Player Profile

Stacey Peace

Stacey,

Congratulations on a job well done. You've always been an excellent kid and a model student, and you have always made us proud. We know that this is just the beginning of a life lived to its fullest potential. We love you and are so incredibly proud of you!

Love,

Mom, Don, Sarah, and Mary

P.S. Good job sis, knew you could do it!

-Mark

We knew from an early age that you were destined to excel at any goal, task, or challenge you set for yourself. You wouldn't believe how incredibly proud we are of you and all of your accomplishments.

Congratulations!

Love,

Dad and Anne

Stacey,

Congratulations on your graduation. I am very proud to say that you are my sister. We have always been able to relate to each other one on one and I am very thankful and humbled to have a lovely sister as strong, confident, and accomplished as yourself. I am sure that you have held on to the ideals of those persons who inspired us, and I am even more so confident that you will continue that tradition of the awe-inspiring passing of knowledge with such caring and devotion as those who have taught us. Uncle Sonny would be proud... but not as proud as I am of you today.

Love,

Benjie

This a page dedicated to everyone I have met along the way. To everyone that has made a difference to me, and to everyone that has grown alongside me. Here's to Tuesday-Thursday parties, tray sledding, "Gin-gah!", Weezer concerts in the snow, flaming cans of shaving cream, rocket launch 2000, Bent Wookie, Rm. 117, "G" games, foosball, SCOPE movies, Seattle then Atlanta, Mike W. and Emily D., and to all those I don't have room for, you know who you are. Thank you all for making this the very best time of my life, I couldn't imagine college being what it is without any of you.

Love you all,
Mitchell Kupferman

Mitchell Kupferman

Dear Mitch, our Renaissance man,

You are a thoughtful, introspective, talented, high-spirited, intelligent, a great listener, friend, and voice of reason. "You are to the world what a base is to an acidic solution" (James V., WHHS yearbook '98). You possess dramatic coolness (James V.), great sense of humor, interest in many diverse areas. We see so much in you... you are our pride and fortune... your choice of profession is still a great puzzle to us--you always see yourself as being an original.

"The world outside can be cold and cruel, ...if you stay strong, stay humble, stay focused, when all is said and done...I will see you and smile...because both of us have conquered the world!"(John M., WHHS yearbook '98)

Wherever life takes you, there is always a place for you in our hearts.

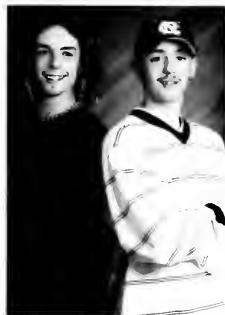

Love, congratulations, best wishes to you, your roommates, and the class of '02.

Joshua Cloutier

I guess my parents were supposed to write this, but hey...if you follow the book all your life the only place you are bound to end up is the library.

My four years at the University of New Haven has taught me who I am, and more importantly, who I can be.

I thank my parents for taking loads of awesome pictures of me when I was young and for always encouraging me to be the best I can be, for supporting me through every phase and always treating me as an adult and respecting my beliefs. Mom, thanks for teaching me what it means to be loved, and how to return the feeling unconditionally. Dad, thanks for passing off your resourceful ways and showing me how to have fun responsibly.

To my boys: Anthony, Dan, Sean, Brian, Craig – you are all like brothers to me.

P.S. Every yearbook needs an afro!

Allison Curran

Allison was our first born child and what a sight for sore eyes she was, a true gift from God. As Yogi Berra recently said "You have a great future, even though the future ain't what it used to be". As you graduate from college remember that your life will continue to be the result of what you put into it! Even though you clowned around for a few years, you have already achieved some major accomplishments! You set serious goals and sometimes moved mountains to attain them, all the while striving for excellence. We are so proud of you and the professional woman you have become. Good luck and all of our love forever.

Love,
Mom and Dad

Dwayne Brown

Dwayne,

The time has finally arrived. Mommy isn't here anymore, she is looking down on you and you know what she expects you to do. Just stay focused, positive, strong, and wise to maintain a healthy, successful life. Now you're entering the real world. Don't hesitate when you need anything, you know we're always here for you.

With Love,

Mom, Dad, Sherry, Phyllis, and Nicole

Hanan,

Congrats big sister!

You made it with all your changes. You're the best sister that I could ever have. I am glad that you are graduating this year, so I can see you more often. You have been such a role model for me to follow. I pray that we will always be there for one another.

Have a blessed day.

Hanan,

You are poised on the threshold of exciting new adventures. You are growing into the woman you are destined to become. May you always have the best life has to offer. Remain focused and always remember your source.

TO HANAN STEVENS,
GRACE AND PEACE BE UNTO
YOU!
WE ARE SO VERY PROUD OF
YOU AND COMMEND YOU FOR
OBTAINING YOUR GOAL!
MAY GOD'S GRACE CONTINUE
TO FOLLOW YOU!

WITH MUCH LOVE,

YOUR GODPARENTS

THE CHARIOT YEARBOOK
CONGRATULATES THE
CLASS OF 2002

FROM
CHRIS AND REBEKKA

Editor's Page

To the graduating Class of 2002 and the University of New Haven-

We can't believe the book is finally out. After four deadlines, \$38,000 to print these books, over 12,000 digital images, 82 rolls of film, and hundreds of hours of work, we successfully completed it.

At first it didn't seem possible to put out a 164-page book with just about 5 months to work with. What made it more exciting is not having any experience, no knowledge of the computer programs, and basically not knowing the first thing about how to put together a yearbook. Sure it can seem simple, snap a couple photos, show up to a few sporting events (31 to be exact), but that's what we thought too. However, after finally completing it, we realized it wasn't all that it seemed to be, not by a long shot.

So you might be asking, why we did take the job to put together your college yearbook? Well its simple, back in April of 2001, when we were selected to be co-editors, we had many objectives. One was to make the finest yearbook this University has ever seen. We also wanted to revolutionize the way of putting together a yearbook here at UNH. To do so, we introduced Digital Photography. About 90% of this book was done using a digital camera.

Regardless, we wanted to put together something so great for everyone; and we did everything humanly possible to try and accomplish that. We can't even begin to tell you how much hard work went into the making of this yearbook. Despite all of it, this has been one of the most rewarding projects we have ever worked on.

We apologize for any errors that you find in the book. We did our best to edit and rid the book of any grammatical or spelling errors. Needless to say, we hope you enjoy the book that was made for you, the University, and especially the graduating class of 2002.

Now it's time to give thanks...

Bob Sasena- Thanks for all of your help...you truly did wonders when we just couldn't figure something out. You helped us develop our ideas into something great. Thanks again.

Sylvia Hyde- We thank you for checking up on us and proofing some of our pages.... sorry we couldn't get more to you but it all goes by so fast to the point where there's no time to get the proofs to you before deadline arrives.

Pat- Thanks for watching our backs and guiding us a little along the way. Good luck in your future endeavors as a graphic artist.

Tom Machamer from sports information- Thank you helping us with all the sports info. It's well appreciated.

The Waterbury Republican-American photo department, especially Bob Falcetti- Guys, I can never thank you enough for all the guidance and knowledge you have provided. You were always there when photo advice was needed. It's been a great honor learning from the best.

Josh and Allison- It's been fun sharing an office with you.... thanks for helping us laugh sometimes when we just couldn't handle the office anymore. You both are definitely going to be missed. Good luck being forensic scientists.

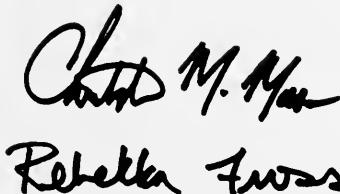

Photographers- Thanks to those who did take pictures for us at times- **Darius, Shannon, and Hanler**.

Our parents- hmm, what can we say? Thanks for being there for us and understanding when we couldn't spend much time at home because we had to be somewhere to take pictures or put the pages together. We love you and thank you for caring about us and supporting us when we said we wanted to publish a 164 page book in well under a year.

Everyone at UNH, for being so corporative, and allowing us to make this book.

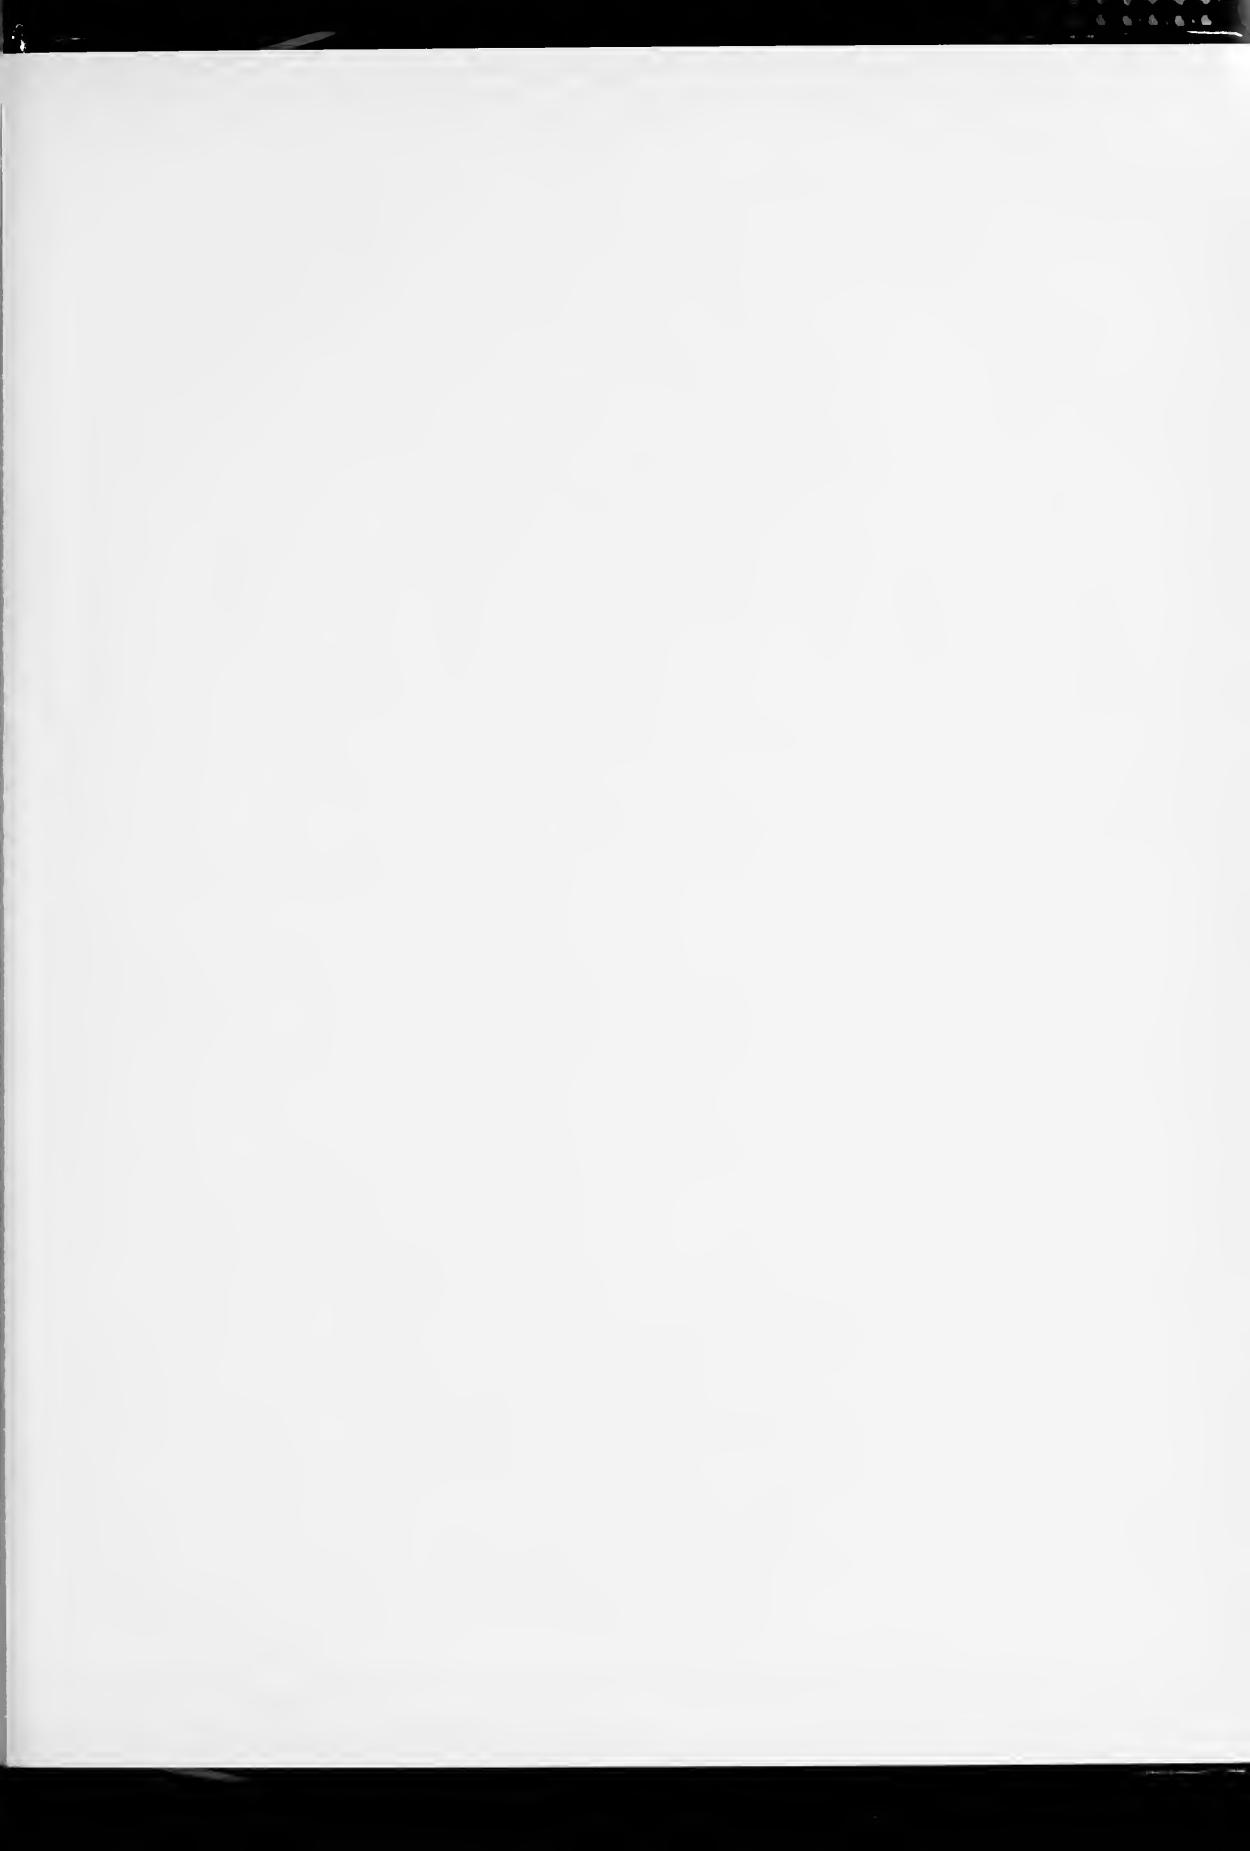

Finally we want to say congratulations to the graduating class of 2002. We hope you have benefited from your college experience. Now it's time to move out into the real world. A part of your life is ending; nevertheless the most important part is beginning. Don't let your talents go to waste. From the both of us we wish you the best of luck in all future endeavors. Be with honor.
